A competition that does not follow the fundamental principles of these rules cannot be recognized as Korea Taekwondo Association in United State of America competition.

Article 2. Application

These competition rules shall apply to all competitions to be promoted and/or organized by the KTA IN USA. If any KTA IN USA association wishes to modify any part of the Competition Rules for a particular competition, they must first receive the approval of the KTA IN USA. Approval for any changes in these rules must be received from the KTA IN USA one month prior to the scheduled competition. With prior approval, competition rules such as weight categories, the number of referees, positions for the Inspector, Recorder and Commission Doctor, etc., and contest duration may be modified for a particular event or events. However, basic competition principles such as valid points, warnings, deductions, and the competition area must not be changed.

It is recommended that the belt divisions be separated into a minimum of two weight classes (light and heavy) whenever the number of entrants is sixteen (16) or more. The maximum number of weight classes will be at the discretion of the tournament director.

(Interpretation)

1. A Taekwondo tournament is a competition which is decided, within the rules, by direct physical contact and forceful physical collisions between contestants. The weight division system was established to ensure the safety of the competitors, as well as to create equal conditions for the exchange of techniques.
2. The division of men and women into separate categories—men competing against men, and women competing against women—is a fundamental rule.
3. Weight divisions for the Olympic Games are to be decided in consultation with the International Olympic Committee.

(Explanation)

Not exceeding: The weight limit is defined by the criterion of two decimal places away from the stated limit (in hundredths). For example, “not exceeding 50 kg” goes up to 50.009 kg, with 50.01 kg being over the limit.

Over: 50.01 kg is considered over the 50.00 kg mark; 49.99 kg is considered insufficient.

Article 6. Classification and Methods of Competition

1. Competitions are divided as follows:

- 1) Individual competition shall normally be between contestants in the same weight class. When necessary, adjoining weight classes may be combined to create a single classification. No contestant is allowed to participate in more than one weight category in one event.
- 2) Team Competition:
Systems of Competition

(1) Five contestants by weight classification with the following categories:

Men's Division	Women's Division
Not exceeding 119.0 lbs (Not exceeding 54 kg)	Not exceeding 103.6 lbs (Not exceeding 47 kg)
119.1 lbs - 138.9 lbs (Over 54 kg not exceeding 63 kg)	103.7 lbs - 119.1 lbs (Over 47 kg not exceeding 54 kg)
139.0 lbs - 158.7 lbs (Over 63 kg not exceeding 72 kg)	119.2 lbs - 134.5 lbs (Over 54 kg not exceeding 61 kg)
158.8 lbs - 180.8 lbs (Over 72 kg not exceeding 82 kg)	134.6 lbs - 149.9 lbs (Over 61 kg not exceeding 68 kg)
180.9 lbs and over (Over 82 kg)	150.0 lbs and over (Over 68 kg)

- (2) Eight contestants by weight classification
- (3) Four contestants by weight classification (Consolidating the eight weight classifications into four weight categories by combining two adjoining weight classes).

2. Systems of competition are divided as follows:

- 1) Single elimination tournament system
- 2) Round robin system
- 3) Double elimination tournament system

3. KTA IN USA-sanctioned Competitions

All competition shall be divided into male and female divisions. Non-Black Belt Competition may be subdivided by weight, belt rank, or age with further subdivisions of advanced, intermediate, and beginners.

In the tournament system, competition is founded on an individual basis. However, the team standings can also be determined by the sum of the individual standings according to the overall scoring method

Point System

1. Team Ranking shall be decided by the total points based on the following guidelines.
 - Basic one (1) point per each contestant who entered the Competition Area after passing the official weigh-in
 - One (1) point per each win (win by a bye included)
 - Additional seven (7) points per gold medal
 - Additional three (3) points per silver medal
 - Additional one (1) point per bronze medal
 - In case more than two teams are tied, the rank shall be decided by 1) number of gold, silver and bronze medals won by the team in order, 2) number of participating contestants and 3) higher points in heavier weight category.
2. In the team competition system, the outcome of each team competition is determined by the individual team results.
3. In the above format, if one team achieves a majority of victories before all matches have been conducted, the remaining matches should, in principle, also be conducted. If the losing team wishes to forfeit the remaining matches, the result shall be recorded as loss due to disqualification, without consideration of the accumulated record.

(Explanation)

Consolidated weight divisions: This method of consolidation shall follow the Olympic weight divisions.

Eight weight class format: According to competition in eight weight classes, the team winning five or more divisions is victorious. In the event of a tie score (four to four), each team shall designate a representative to fight a tie-break match. In this format, contestants who did not participate in the team competition may not be substituted.

Article 7. Duration of Contest

The duration of the contest shall be three rounds of two minutes each, with a one-minute rest period between rounds.

In case of a tie score after the completion of the 3rd round, a two-minute, 4th round will be conducted as the overtime round, after a one-minute rest period.

The KTA IN USA, at its discretion, may modify round duration and rest periods for specific competitions.

Article 8. Weigh-in

1. A competitor's weight shall be measured in the afternoon or evening prior to the competition. The weigh-in hours may be extended or shortened if necessary.
2. A competitor's weight may be measured twice. If a contestant does not qualify the first time, one more official weigh-in is granted within the time limit.

So as not to be disqualified during official weigh-in, a scale, the same as the official one, shall be provided at the contestants' place of accommodation or at the arena for pre-weigh-in.

3. During the weigh-in, the contestant is required to show his/her current KTA IN USA identification card, and may be required to show proof of citizenship.
4. Any irregular action by the competitor or coach during the weigh-in may result in disqualification from tournament participation.
5. Weigh in, for both males and females, shall be taken in the official V-neck uniform only. However, if a contestant wishes, weigh-in may be done in underpants for male and underpants and bra for female contestants. Under NO circumstances may an athlete weigh-in in the nude in the United States.

Prior to the pertinent competition: Contestants listed to compete on a scheduled day will be weighed in on the day before. The time for weigh-in will be decided by the Organizing Committee and communicated to the participants at the Head of Team meeting.

Male and female contestants will have separate sites for weigh-ins. Weigh-ins for females must be conducted by a female official in charge.

Disqualification during official weigh-in: If a competitor is disqualified at the official weigh-in, the competitor will not receive a participation point.

Scales: The practice scale must be of the same type and calibration as that of the official scale and these facts must be verified prior to the competition by the Organizing Committee.

Article 9. Procedure of the Contest

- a. Call for Contestants
The name of the contestants shall be announced three times beginning three minutes prior to the scheduled start of the contest. If a contestant fails to appear in the competition area within one minute after the scheduled start of the competition, he/she shall be regarded as withdrawn.
- b. Physical and Dobok Inspection

A standing bow shall be made from the natural standing posture of “Cha-ryeot” by bending the waist at an angle of more than 30 degrees with the head inclined to an angle of more than 45 degrees. After the bow, the contestants shall put on their headgear.
 - 3) The referee shall start the contest by commanding “Joon-bi” (ready), and “Shi-jak” (start).
 - 4) The contest in each round shall begin with the declaration of “Shi-jak”(start) by the referee and shall end with the declaration of “Keu-man” (stop) by the referee. Even if the referee has not declared “Keu-man,” the contest shall be regarded as having ended when the prescribed time is over.
 - 5) After the end of the last round, the contestants shall face each other at their designated positions. This means the proper aspect of a legal attacking technique, fully contacting the opponent within the designated limits of a legal target area.

Powerfully:

- a. Trunk protector not equipped with electronic sensor: Sufficient power is demonstrated as the opponent's body is abruptly displaced by the impact of the strike.
- b. In the use of electronic Protector and Scoring System: Force of impact is measured by the PSS, with the level of force by which points are scored varying by weight division and gender.

When a contestant is knocked down due to opponent's legitimate attack with valid point, the referee shall first check the status of the contestant and decide whether to count or not. If the referee determines that the contestant cannot continue the match, the referee may stop the match and declare the winner by K.O.

When a contestant is knocked down by the opponent's legitimate attack without registration of valid point(s), the referee shall either resume the match after checking the status of the athlete or take action in accordance with the Article 17 "Procedure in the event of a Knock Down." The criteria of "Knock-down" shall be in accordance with the Article 16.

Invalidation of a point: It is a rule that points gained through illegal actions or illegal techniques cannot be valid. In this situation, the referee must indicate invalidation of the point by hand signal and declare the appropriate penalty.

Referee procedure for nullification of a point:

1. Place right hand approximately 8 inches in front of forehead, palm facing out.
2. Move hand to the right approximately 12 inches.
3. Move hand to the left approximately 18 inches.
4. Move hand back to center.

Article 12. Scoring and Publication

1. Valid points shall be immediately recorded and publicized.
2. In the use of body protectors not equipped with electronics, valid points shall be immediately marked by each judge by using the electronic scoring instrument or, where electronic scoring is not available, the judge's scoring sheet.
3. In the use of electronic Protector and Scoring System
 - 1) Valid points scored on the mid-section of the trunk shall be recorded automatically by the transmitter in the electronic trunk protector. In case of a valid turning kick to the trunk protector, the "valid point" shall be scored automatically by the transmitter in the electronic trunk protector, while the "valid turn" shall be scored by the judges.
 - 2) Valid points scored to the head or attack by fist shall be recorded by each judge using the electronic scoring instrument or judge's scoring sheet. As per the valid turning kick on the head, the judges shall score valid points and "valid turn."
 - 3) In case of using four judges or three judges, valid points shall be those scored by at least two or more judges.

Interpretation:

The electronic trunk protectors must meet all WTF requirements for the enhancement of competing ability and insurance of fair match outcome.

It is a principle of these rules that points shall be awarded immediately. This principle must be followed regardless of the scoring method used. Awarding a point at the end of the round is a violation of this regulation.

- a. Points shall be immediately recorded:
Immediate scoring means awarding the point immediately after delivery of the scoring technique. Points awarded after a period of time has elapsed cannot be considered valid.
- b. Points shall be immediately publicized:
A point having been awarded by the judges shall be immediately publicized on the scoreboard.
- c. Use of trunk protectors not equipped with electronic sensors:
All scoring must be done according to the judge's own decision and there must be equipment available which is capable of immediately conveying the recorded point to the scoreboard. However, when electronic publication equipment is not available, the points shall be immediately recorded on the judge's scoring sheet and publicized at the end of the round.
- d. The use of electronic protectors:
Scoring techniques striking the body protector will be automatically recorded. Judges will award points resulting from head attacks, punches or turning kicks.
In the case of using electronic body protectors, one (1) point shall be validated if the transmitter acknowledges the valid point and the judges do not give the point for a "valid turn."
Judges must press to award the 2nd point for a "valid turn." Judges should press for all valid turning kicks without reference to accuracy or power, and without looking at the monitor to determine if the point scored. In the event that the transmitter does not acknowledge the point, no point shall be given, regardless of the judges' scoring of a "valid turn."
In case of a valid turning kick to the head, judges must first press to score the head kick, and then award the additional point for the valid turn. Mechanism for doing this may vary, depending on the electronic scoring system in use.
- e. The use of Judge's Paper:
Where electronic scoring is not used, the Judge's Paper shall be recorded in the following manner: number of points, deductions and warnings shall be recorded as an oblique line (/, //, ///, etc.)

Article 13. Prohibited Acts

1. Penalties shall be declared by the referee for any prohibited acts.
2. Penalties are divided into "Kyong-go" (warning penalty) and "Gam-jeom" (deduction penalty).
3. Two "Kyong-gos" penalties shall be counted as an additional one (1) point for the opposing contestant. However, the final odd-numbered "Kyong-go" shall not be counted in the grand total.
4. A "Gam-jeom" shall be counted as an additional point for the opposing contestant.
5. Prohibited acts
 - 1) The following acts shall be classified as prohibited acts, and "**Kyong-go**" shall be declared.
 - a. Crossing the Boundary Line
 - b. Avoiding or delaying the match
 - c. Falling down
 - d. Grabbing, holding or pushing the opponent
 - e. Attacking below the waist
 - f. Butting or attacking with knee
 - g. Hitting the opponent's face with the hand

- h. Uttering undesirable remarks or any misconduct on the part of a contestant or a coach
 - i. Lifting the knee to avoid a valid attack or impede the progress of an attack
- 2) The following acts shall be classified as prohibited acts, and “**Gam-jeom**” shall be declared.
- a. Attacking the opponent after “Kal-yeo”
 - b. Attacking the fallen opponent
 - c. Throwing down the opponent by grappling the opponent’s attacking foot in the air or by pushing the opponent with the hand
 - d. Intentionally attacking the opponent’s face with the hand
 - e. A coach or contestant interrupting the progress of the match
 - f. Violent or extreme remarks or behavior on the part of a contestant or a coach
 - g. Manipulating, or attempting to manipulate, the electronic scoring system
6. When a contestant intentionally refuses to comply with the Competition Rules or the referee’s order, the referee may declare the contestant loser by penalty after one (1) minute.
7. When the contestant receives eight (8) “Kyong-go” or four (4) “Gam-jeom” penalties, or in the event of any combination of “Kyong-go” and “Gam-jeom” that add up to four penalty points, the referee shall declare the contestant loser by penalties.
8. “Kyong-go” and “Gam-jeom” shall be counted in the total score of the three rounds.
9. When the referee suspends a contest for declaration of “Kyong-go” or “Gam-jeom,” the contest time shall not be counted from the moment of the referee’s declaration of “Shigan” (or “Kye-shi”) until “Kye-sok” is declared for resumption of the contest.

Objectives in establishing the prohibited acts and penalties:

- To protect the contestant
- To ensure fair contest management
- To encourage appropriate or ideal techniques

Explanation:

Two “kyong-go” shall be counted as an addition of one (1) point for the opposing contestant. However, the final odd-numbered “Kyong-go” shall have no value in the total score. Every two (2) “Kyong-go” shall be counted as an additional point for the opposing contestant, regardless of whether the committed violations are the same or different acts, and regardless of the round in which they occur.

Prohibited acts resulting in “Kyung-go” penalty:

- a. **Crossing the Boundary Line**
A “Kyong-go” shall be declared when both feet of a contestant cross the Boundary Line. No “Kyong-go” will be declared if a contestant crosses the Boundary Line as a result of a prohibited act by the opposing contestant.
- b. **Avoiding or delaying the match**
This act involves stalling with no intention of attacking. A contestant who continuously displays a non-engaging style shall be given a penalty. However, the referee shall distinguish intentional avoidance from tactical defense, and the penalty shall not be given for tactical defense.

If both contestants remain inactive after five (5) seconds, the center referee will signal the “Fight” command. A “Kyong-go” will be declared: On both contestants if there is no activity from them 10 seconds after the command was given; or, on the contestant who moved backwards from the original position within 10 seconds after the command was given.

Turning the back to avoid the opponent’s attack should be punished, as it expresses the lack of a spirit of fair play and may cause serious injury. The same penalty should also be given to evading the opponent’s attack by bending below waist level or crouching.

“Pretending injury” means exaggeration injury or indicating pain in a body part not subjected to a blow for the purpose of demonstrating the opponent’s actions as a violation, and also exaggerating pain for the purpose of elapsing the match time. In this case, the referee shall give the indication to continue the match to the contestant two times in five (5) seconds intervals, and then shall give a “Kyong-go” penalty unless the contestant follows his/her instructions.

“Kyong-go” shall also be given to the athlete who asks the referee to stop the contest for any reason (for instance, in order to adjust the position of protective equipment) or ask his/her coach to request video replay.

- c. **Falling down**
“Kyung-go” shall be immediately declared in the case of intentional falling down. In the case that a contestant falls down due to the opponent’s prohibited acts, “Kyung-go” penalty shall not be given to the fallen contestant, while a penalty shall be

given to the opponent. In the event a contestant falls as a result of incidental contact with the opponent, "Kyong-go" shall be given to the fallen contestant only for repeated falling. As for unintentional falling down during an exchange of techniques, no penalty shall be given.

d. Grabbing, Holding or pushing the opponent

This includes grabbing any part of the opponent's body, uniform or protective equipment with the hands. It also includes the act of grabbing the foot or leg, or hooking either one on top of the forearm. Holding includes pressing the opponent's shoulder with the hand or arm, or hooking the opponent's body with the arm to hinder the opponent's motion. If during the competition the arm passes beyond the opponent's shoulder or armpit for the above-mentioned purpose, a penalty may be declared.

Pushing acts include pushing to displace the opponent's balance for the purpose of gaining an advantage in attacking, pushing to hinder the opponent's attack or hinder the normal execution of technique and pushing with the palm, elbow, shoulder, trunk or head, etc.

e. Attacking below the waist

This action applies to an intentional attack on any part below the waist. When an attack below the waist is caused by the recipient in the course of an exchange of techniques, no penalty will be given. This article also applies to strong kicking or stamping actions to any part of the thigh, knee or shin for the purpose of interfering with the opponent's technique.

f. Butting or attacking with the knee

This article relates to intentional butting or attacking with the knee when in close proximity to the opponent. However, contact with the knee that happen in the following situations should not be punished:

- a. When the opponent rushes in abruptly at the moment a kick is being executed.
- b. Inadvertent contact, or as the result of a discrepancy in distance in attacking.

g. Hitting the opponent's face with the hand

This article includes hitting the opponent's face with the hand (fist), wrist, arm, or elbow. However, unavoidable actions due to the opponent's carelessness—such as excessively lowering the head or carelessly turning the body—cannot be punished by this article.

h. Uttering undesirable remarks or any misconduct on the part of a contestant or a coach

In this instance, the undesirable behavior includes physical actions or attitudes which cannot be accepted from a contestant or a coach as amateur sportsmen or Taekwondo practitioners. Details of these actions are as follows:

- Any actions interfering with the progress of the contest
- Any action or behavior severely criticizing the referee's decision or any match officiating by using unsanctioned method
- Physical or verbal behavior insulting the opposing contestant or the coach
- Loud or excessive coaching
- Any unnecessary or undesirable act with regard to the contest, or any behavior regarding the contest itself which is not within normally accepted limits.
- The coach shall be give "Kyong-go" when he/she leaves the 1m *1m marked Coach's Zone or is not seated in coach's seat.

** This article must be understood in relation to "Prohibited acts resulting in "Gam-jeom" penalty, Sub-Article 'f' (below) regarding the degree of illegality and intention of the action. In severe cases, Sub-Article "f" is applied; in less severe cases, this sub-article is used. However, if the less severe cases are repeatedly seen, Sub-Article "f" may be used to penalize them. Distinguishing the above cases is the sole authority of the referee.

When misconduct is committed by a contestant or a coach during the rest period, the referee can immediately declare the penalty and that penalty shall be recorded on the next round's results.

i. Lifting the knee

Lifting the knee to avoid a valid attack or impede the progress of an attack is a prohibited act.

Prohibited acts resulting in "Gam-jeom" penalty:

a. Attacking the opponent after "Kal-yeo"

This action is extremely dangerous due to the high probability of injury to the opponent.

The danger arises from the following:

- After "Kal-yeo," the opponent might, in that moment, be in an immediate defenseless state.
- The impact of any technique which strikes a contestant after "Kal-yeo" will be greater.

These types of aggressive actions toward a contestant are not in accordance with the spirit of Taekwondo competition. In this regard, penalties should be given for attacking the opponent after "Kal-yeo" regardless of the degree of impact. A "Gam-jeom" penalty should also be given if a contestant pretends to attack the opponent after "Kal-yeo."

b. Attacking the fallen opponent

This action is extremely dangerous due to the high probability of injury to the opponent.

The danger arises from:

- The fallen opponent is in an immediate defenseless state.
- The impact of any technique which strikes a fallen contestant will be greater due to the contestant's position.

These types of aggressive actions toward a fallen opponent are not in accordance with the spirit of Taekwondo and so are not appropriate to Taekwondo competition.

c. Throwing down the opponent by grappling the opponent's attacking foot in the air with the arm or pushing the opponent with the hand. Action to interfere with the opponent's attack by grappling the opponent's foot in the air or pushing with the hand.

d. Intentionally attacking the opponent's face with the hand "Gam-jeom" penalty shall be given at the referee's discretion for any of the following:

- When the starting point of the fist attack was over the shoulder.
- When the fist attack was made upward.
- When the attack was made in a close distance for the purpose of causing an injury, not as a part of technical exchanges.

e. Interrupting the progress of the match on the part of the contestant or a coach

This includes:

- When a coach leaves the designated coach's mark during the match creating a disturbance or intentionally leaving the competition area.
- When a coach goes around the competition area with a purpose of interfering with the progress of the match or making a protest against the referee's decision.
- When a coach or a contestant threatens the refereeing officials or infringes on the refereeing officials' authority.
- When a coach or a contestant protests in illegal way and interrupts the progress of the match.

f. Violent or extreme remarks or behavior on the part of a contestant or a coach

(Refer to Sub-Article "h" of "Kyung-go" Penalties.)

g. manipulating, or attempting to manipulate, the electronic scoring system

Before each round of competition, the referee shall check whether any attempts were made to manipulate the scoring system and/or increase sensitivity of the sensing socks, or any other method, by the player or coach. In the event that the referee finds intentional manipulation, the referee may give "Gam-jeom" to the pertinent contestant and shall reserve the right to declare the violation athlete as the loser by penalty base on the degree of seriousness of the violation.

The referee may declare the competitor the loser by penalty:

The referee can declare a contestant loser without the accumulation of eight (8) "Kyong-go" or four (4) "Gam-jeom" when the contestant or coach ignores or violates the basic principles of conduct in Taekwondo competition, the fundamental principles of the Competition Rules, or refuses to comply with the referee's directives. In particular, if the contestant shows the intention to injure or commit a flagrant violation in spite of the referee's cautionary directives, the contestant must immediately be declared loser by penalty.

When a contestant receives eight (8) "Kyong-go" or four (4) "Gam-jeom" penalties:

When a contestant receives eight (8) "Kyong-go" or four (4) "Gam-jeom" penalties, in any combination that adds up to four (4) penalty points, he/she is automatically declared the loser. In this instance, the referee must declare the opposing contestant the winner.

- d. The referee will declare "Kyong-go" and "Gam-Jeom" penalties. The 4th round will be immediately stopped when one of the contestants gets the 2nd "Kyong-go" or the 1st "Gam-jeom," totaling on (1) point for the opponent. The contestant who gets the 2nd "Kyong-go" or the 1st "Gam-jeom" shall be declared loser.
- e. If no points are scored by either player and penalty points do not determine the result of the match, the winner will be determined by refereeing officials based on the Superiority system, as prescribed in the Article. In this case, Superiority will be based on the 4th round only, not on the entire match.

The decision of superiority shall be based on the initiative shown during the 4th round.
Initiative is judged in the following order:

- technical dominance of an opponent through aggressive match management
- A greater number of techniques executed
- The use of more advanced techniques, both in difficulty and complexity
- Display of a better competition manner

Procedure for superiority decision shall be as follows:

- 1) Prior to the contest, all refereeing officials should make sure they have a Superiority Card and pen with them.
- 2) In case of decision of superiority, the center referee shall declare "Woo-se-girok"
- 3) Upon the referee's declaration, the judges shall record the winner within 10 seconds; they shall sign the Superiority Card, and give it to the referee.
- 4) The referee shall collect all Superiority Cards, record the final result, and present the cards to the Technical Assistant. The referee then returns to the center of the ring, has the competitors bow, and declares the winner.

In the case of four judges, the winner is decided by simple majority, with each judge and the referee having one vote. In case of using 4 refereeing officials (1 referee and 3 corner judges), the referee can break the tie when the decision is tied 2 to 2 among all refereeing officials.

- 5) Upon declaration of the winner, the Technical Assistant shall secure all cards and save them for future reference.

Article 17. Procedure in the Event of a Knock Down

1. When a contestant is knocked down as the result of the opponent's legitimate attack, the referee shall take the following measures:
 - 1) The referee shall keep the attacker away from the downed contestant by declaration of "Kal-yeo" (break).
 - 2) The referee shall count aloud from "Ha-nah" (one) up to "Yeol" (ten) at one-second intervals towards the downed contestant, making hand signals indicating the passage of time.
 - 3) In case the downed contestant stands up during the referee's count and desires to continue the fight, the referee shall continue the count up to "Yeo-dul" (eight) for recovery of the downed contestant. The referee shall then determine if the contestant is recovered and, if so, continue the contest by declaration of "Kye-sok" (continue).
 - 4) When a contestant who has been knocked down cannot demonstrate the will to resume the contest by the count of "Yeo-dul" (eight), the referee shall announce the other contestant winner by K.O.
 - 5) The count shall be continued even after the end of the round or the expiration of the match time.

- 2) Before entering a new contest after 30 days, the contestant must be examined by recovered A medical doctor designated by the KTA IN USA, who must certify that the contestant is and able to compete.

(Explanation #1)

Keep the attacker away:

In this situation the standing opponent shall return to the respective Contestant's Mark; however, if the downed contestant is on or near the opponent's Contestant's Mark, the opponent shall wait in front of his/her coach's chair.

(Guideline for officiating)

The referee must be constantly prepared for the sudden occurrence of a knock down or staggered situation, usually characterized by a powerful blow and dangerous impact. In this situation, the referee must declare "Kal-yeo" and begin the count without any hesitation.

(Explanation #2)

In case the downed contestant stands up during the referee's count and desires to continue the fight:

The primary purpose of counting is to protect the contestant. Even if the contestant desires to continue the match before the count of eight is reached, the referee must count until "Yeodul" (eight) before resuming the match. Counting to "Yeo-dul" is compulsory and cannot be altered by the referee.

* Count from one to ten: Ha-nah, Duhl, Seht, Neht, Da-seot, Yeo-seot, Il-gop, Yeo-dul, Ahop, Yeol.

(Explanation #3)

The referee shall then determine if the contestant is recovered and, if so, continue the contest by the declaration of "Kye-sok":

The referee must ascertain the ability of the contestant to continue while he/she counts until eight. Final confirmation of the contestant's condition after the count of eight is only procedural and the referee must not needlessly pass time before resuming the contest.

(Explanation #4)

When a contestant who has been knocked down cannot express the will to resume by the count of "Yeo-dul," the referee shall announce the other contestant winner by K.O. after counting to "Yeol."

A contestant expresses the will to continue the match by gesturing several times in a fighting position with the clenched fists. If the contestant cannot display this gesture by the count of "Yeo-dul," the referee must declare the other contestant winner after first counting "A-hop" and "Yeol." Expressing the will to continue after the count of "Yeo-dul" cannot be considered valid.

Even if the contestant expresses the will to resume by the count of "Yeo-dul," the referee can continue counting and may declare the contest over if he/she determines the contestant is incapable of resuming the match.

(Explanation #5)

When it is judged by the referee that a contestant is unable to continue...

When a contestant has received an apparently dangerous blow and appears to be in serious condition, the referee can suspend the count and call for first aid, or do so in conjunction with the count.

(Guideline for officiating)

- a. The referee must not spend additional time confirming the competitor's recovery After counting to "Yeo-dul" as a result of failing to observe the contestant's condition during the administration of the count.
- b. When the contestant clearly recovers before the count of "Yeo-dul" and expresses The will to resume and the referee can clearly discern the condition of the contestant Yet resumption is hampered by the requirement of medical treatment, the referee must First resume the match with the declaration of "Kye-shi" and the procedures of article 18 must then be followed.

Article 18. Procedures for Suspending the Match

When a contest is to be stopped due to the injury of one or both of contestants, the referee shall take the following measures, while in case of the situation which warrants suspending the contest beyond the prescribed procedure, the referee shall declare "Shi-gan (Time)" and resume the contest by declaring "Kye-sok (continue)".

1. The referee shall suspend the contest by the declaration of "Kal-yeo" and order the Recorder to suspend the time keeping by announcing "Kye-shi" (suspend).
2. The referee shall allow the contestant one minute to receive first aid.
3. The contestant who does not demonstrate the will to continue the contest after one minute, even in the case of a slight injury, shall be declared loser by the referee.

4. In case resumption of the contest is impossible after one minute the contestant causing the injury by a prohibited act to be penalized by "Gam-jeom" shall be declared loser.
5. In case both of the contestants are knocked down and are unable to continue the contest after one minute, the winner shall be decided upon points scored before the injuries occurred.
6. When it is judged that a contestant's health is at risk due to losing consciousness, or whose condition after a knock-down appears serious, the referee shall suspend the contest immediately and order first aid to be administered. The referee shall declare as loser the contestant causing the injury if it is deemed to have resulted from a prohibited attack to be penalized by "Gam-jeom".

When the referee determines that the competition cannot be continued due to injury or any other emergency situation, the referee may take the following measures:

- 1) If the situation is critical such as a contestant losing consciousness or suffering a severe injury and time is crucial, first aid must be immediately directed and the match must be closed. In this case the result of the match will be decided as follows:
 - a. The causer shall be declared the loser if the outcome was the result of a prohibited act to be penalized by "Gam-jeom."
 - b. The incapacitated contestant shall be declared the loser if the outcome was the result of a legal action or accidental, unavoidable contact.
 - c. If the outcome was unrelated to the match contents, the winner shall be decided by the match score before suspension of the match. If the suspension occurs before the end of the first round, the match shall be invalidated.
- 2) When the injury is not serious, the competitor can receive necessary treatment within one minute after the declaration of "Kye-shi."
 - a. Permission for medical treatment:
When the referee determines that medical treatment is necessary, he/she can direct treatment by the Commission Doctor.
 - b. Order to resume the match:
It is the decision of the referee, after consultation with the Commission Doctor, whether or not it is possible for the contestant to resume the match. The referee can, at any time, order the contestant to resume the match within one minute. The referee can declare loser any contestant who does not follow the order to resume the match.
 - c. While the contestant is receiving medical treatment or is in the process of recovering, 40 seconds after the declaration of "Kye-shi," the referee begins to loudly announce the passage of time in five second intervals. When the competitor cannot return to the Contestant's Mark by the end of one minute period, the match results must be declared.
 - d. After the declaration of "Kye-shi," the one minute time interval is strictly observed regardless of the Commission Doctor's availability. However, when the Doctor's treatment is required and the Doctor is absent or additional treatment is necessary, the one minute time limit can be suspended by the judgment of the referee.
 - e. If resumption of the match is impossible after one minute, the decision of the match will be determined according to Sub-article 1 of this Article.
- 3) If both contestants become incapacitated and are unable to resume the match after one minute or urgent conditions arise, the match result is decided according to the following criteria:
 - a. If the outcome is the result of a "Gam-jeom" penalty by one contestant, that person shall be the loser.
 - b. If the outcome was not related to any prohibited act to be penalized by "Gam-jeom" the match results shall be determined by the score at the time of suspension of the match.
